# Acknowledgement

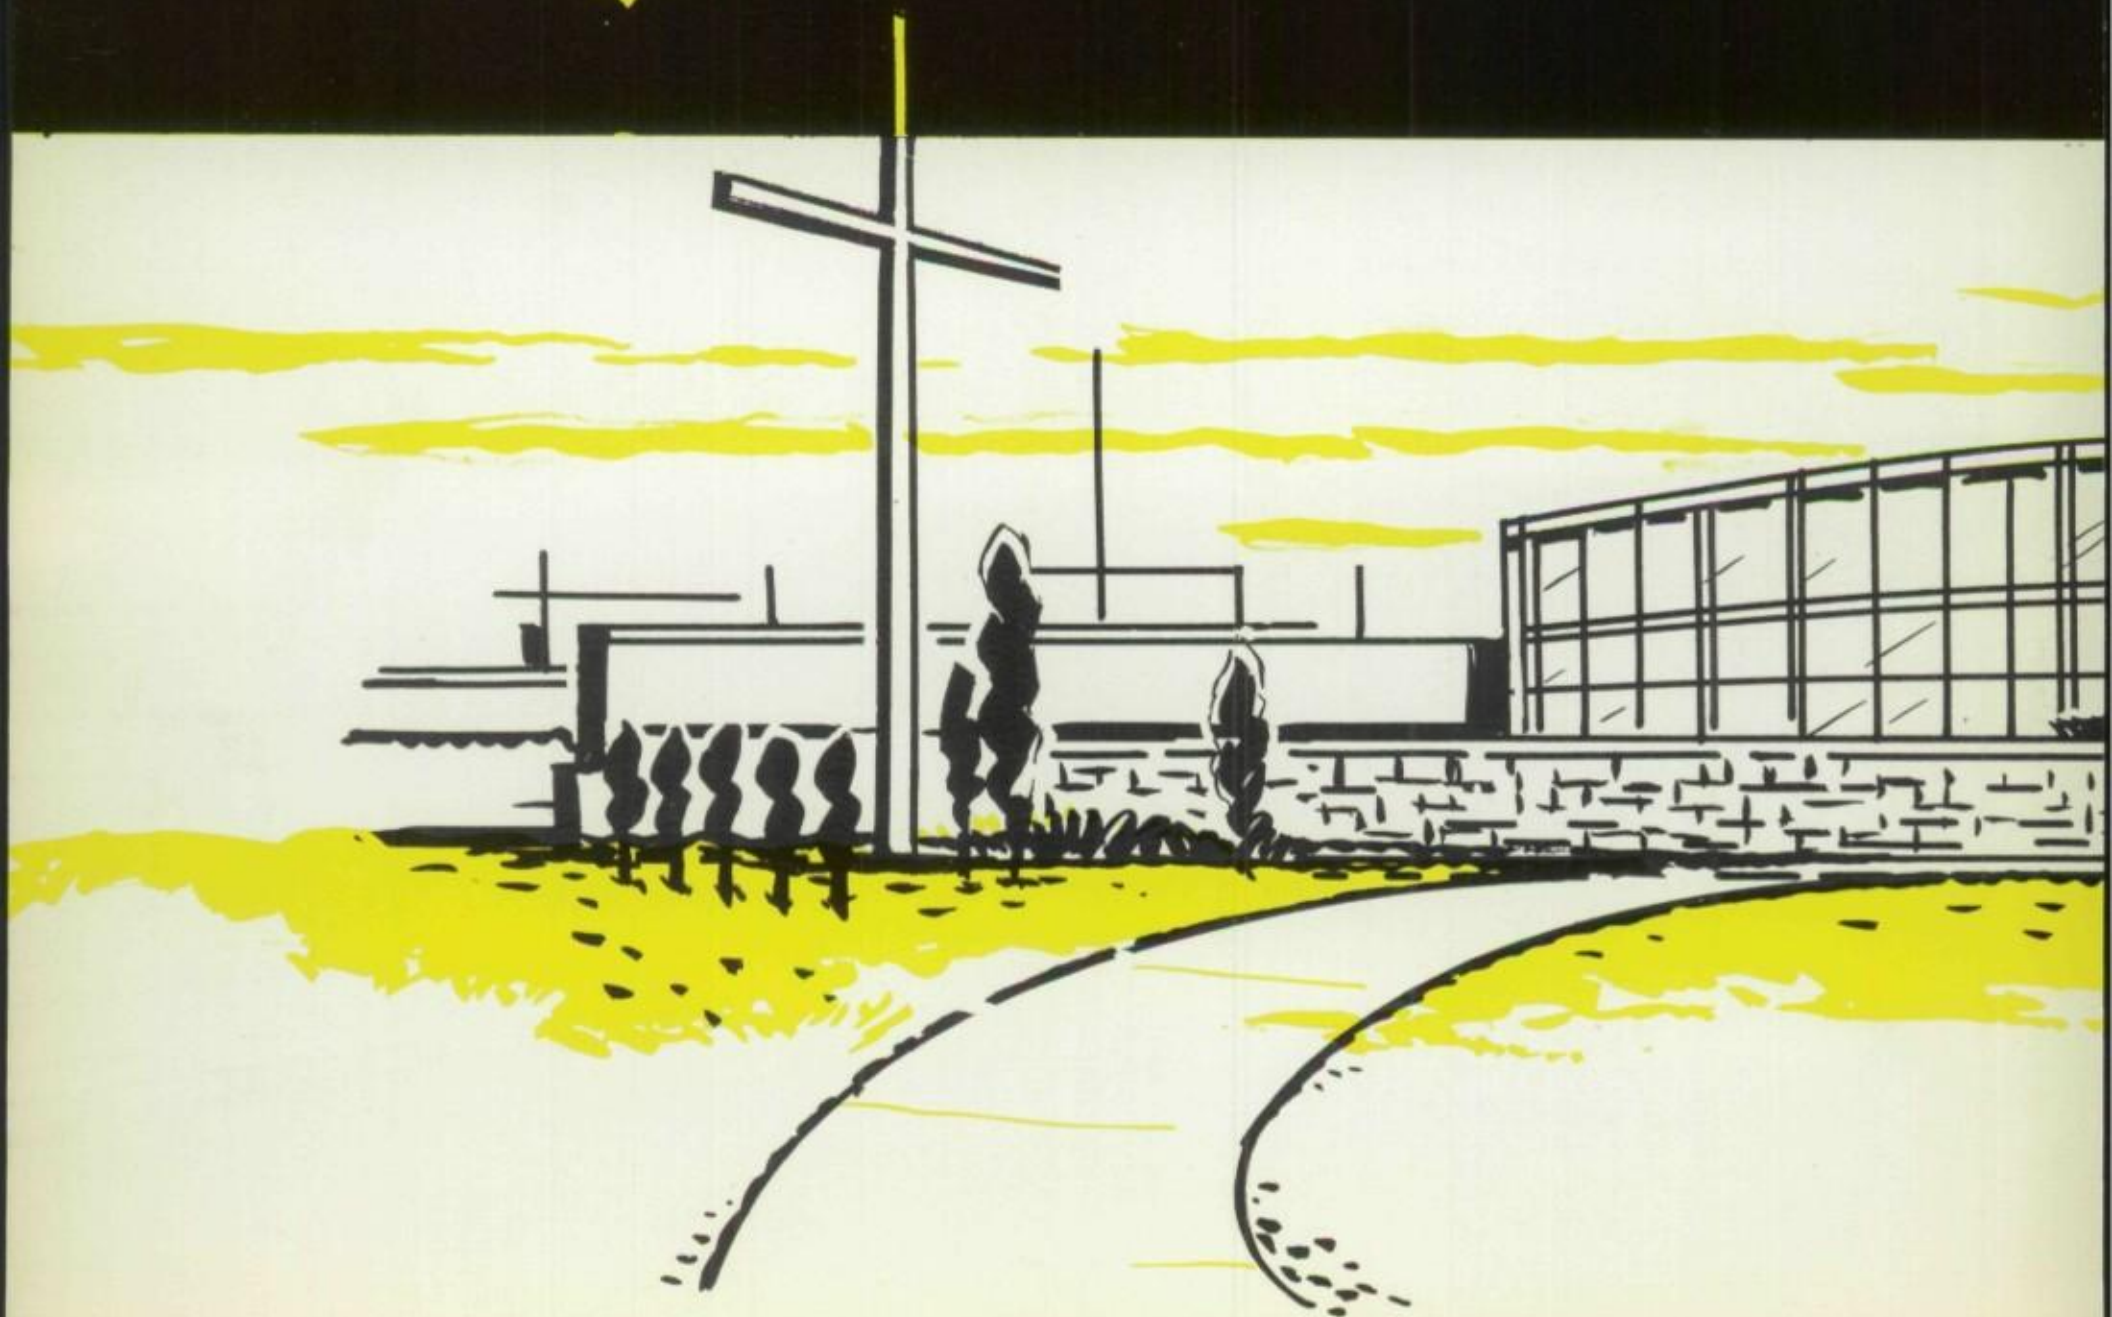

The end marks the beginning . . . The Senior Class, ending its four years at St. Patrick High School, will soon begin its entrance into a world holding some unforeseen future; a future which will present for them opportunities to grow spiritually, mentally and physically.

Considering the vast amount of training we have received along these lines, it is with the utmost certainty that we can face the challenges offered to us. With prayer, foresight and the memories we hold of the past, the opportunities presented to 'us will seem encouraging and beneficial.

It is the desire of this class of '60 to thank all those who, in some form or other, have been able to contribute to our knowledge and our preparation for the future. It is for those who have taught us to understand our future, as well as those who have given us the necessary means to reach our destination that we take upon ourselves the construction of this yearbook. . . . In gratitude and appreciation.

# DEDICATION

---

This year marks the graduation of that Senior Class which began its first year in the newly constructed Freshmen Building. It was the same year Brother H. Adrian took charge of the administration of the Freshmen Department. From that date to the present time Brother Adrian has held the position of Administrator of the Freshman Building, Assistant Principal of the Brothers, and the charge of maintenance in both buildings. It was on Thanksgiving Day, November 26, Brother Adrian became the principal of St. Patrick's succeeding Brother L. Paul. In appreciation for his wonderful work in handling the incoming freshmen, for the tremendous care he has taken of this school, and in expressing our deepest consideration for his success as the newly appointed principal, we proudly dedicate this annual.

Too often do we think of the work of a school only in terms of teachers and students working together in a classroom. Although this is true to a certain extent, the smooth working of a school depends on other persons and on other factors. These persons work "behind the scenes." In our school they make up the Administration, office, cafeteria, and building maintenance.

It is through the able guidance of the administration that a young man learns the obligations of Christian morality and how to fulfill them. It is certainly true that our administration administers to the needs of every student.

## Retreats

### "UNDERCLASS RETREATS"

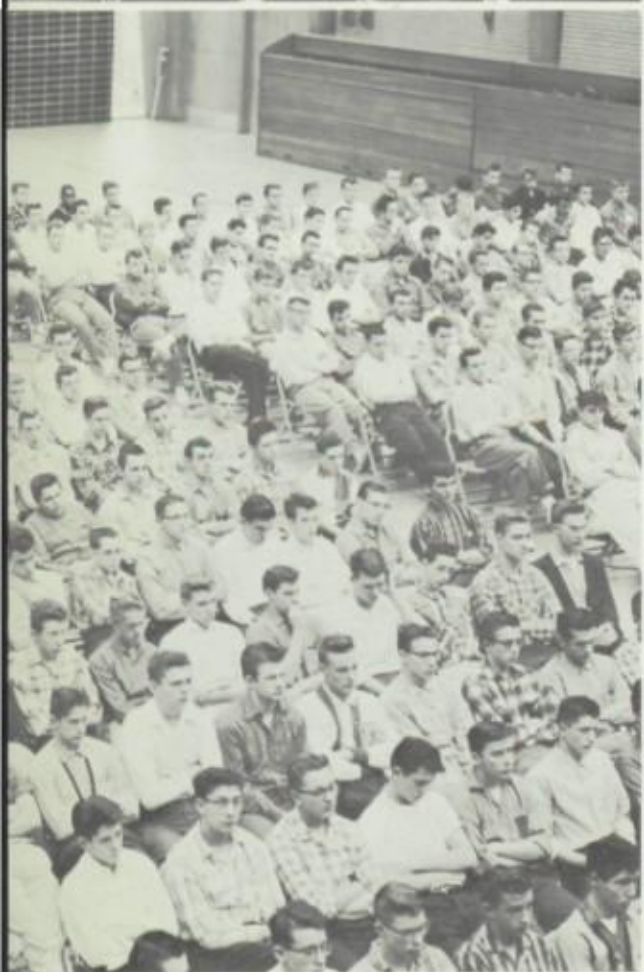

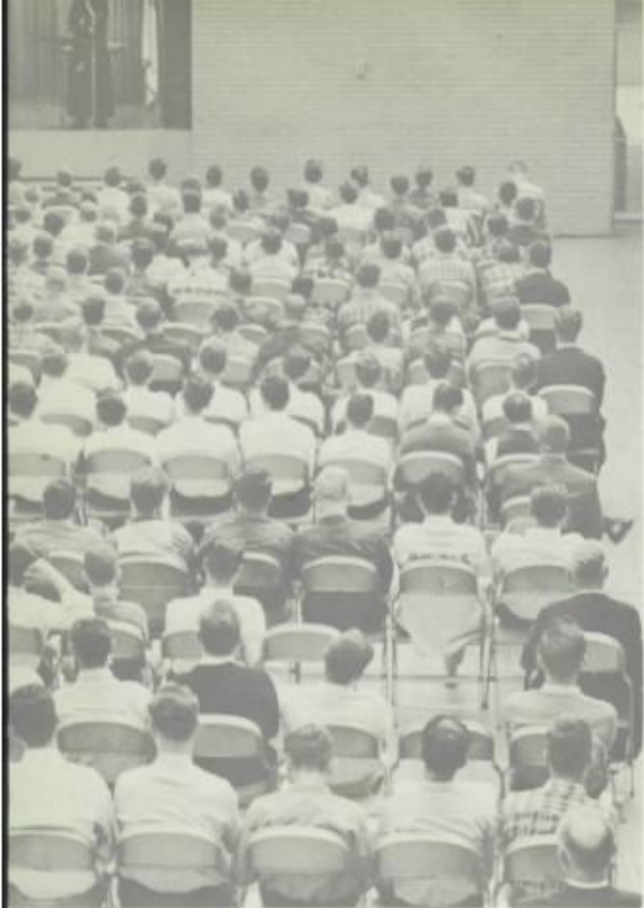

The underclass retreats afford an opportunity for every student to make a thorough examination of his past actions and to resolve to pattern his life after that of Christ. It is for this purpose that each department in school makes a three day retreat. Under the spiritual direction of Father White and Father Dufficy the three retreats conducted in the school gym gave the boys the opportunity to get closer to Christ.

### "CLOSED RETREAT"

The closed retreat gives the benefits of three days of mental solitude and deliberation under the guidance of a competent retreat master and the Brother director. Every senior who tries his best to make a good retreat comes home with some definite resolutions and the satisfaction of a job well done. The seniors in each class are given the opportunity to attend the closed retreat at Plano, Illinois, where the Retreat House is located. Each class has a separate retreat master to guide them in the spiritual growth and to prepare them for the future.

#### OFFICERS and MODERATORS

(Second Row) Brother Norman, Mr. R. Smith (moderators), E. Drost, Section President, Brother Lawrence. (First Row) P. Ponicki, Chicago Federation President, T. Moylan, Treasurer, P. Cronin, Vice-pres., R. Earley, Secretary. (Moderators missing from picture) Mr. Pete Hester, Mr. Charles Edfors, and Mr. Herman Worster.

The YCS is an organization composed of students who are aware of some of the problems which face them in their everyday environment, and who are willing to undertake the time and effort to face them. The YCS is student-orientated, its success or failure depending upon the generosity, drive, willingness to work, and leadership of the students composing the various groups.

### BENILDUS CLUB

The Benildus Club at Saint Patrick, named for Blessed Brother Benildus, is an organization of Seniors dedicated to the encouragement of vocations. The members pray daily in the Chapel that God will bless the Church at large, and Saint Patrick in particular, with an increase in vocations. In addition to the daily Rosary, the members sponsor, once each month, a Vocation Mass and the Vocation Novena. The Club also holds monthly meetings at which speakers from various religious orders or from various lay vocation groups explain their work.

While the main purpose of the Benildus Club is to pray for vocations to the priesthood and the religious life, the members also pray that each student of Saint Patrick may find his true vocation, whether it be to the priesthood, religious life, married life, or the single state.

## Monogram Club

..Composed of major award winners from all the various school activities, the Monogram Club stands ready to serve St. Patrick at different special events. Again this year the Monogram Club conducted the Homecoming Queen Contest, ushered at the basketball games, and marched in the St. Patrick Day Parade. The year ended with a Monogram Club sponsored picnic for all major award winners.

### SCIENCE CLUB

The Science Club has sponsored informal presentation on a variety of current topics. Guest speakers and student-members alike have contributed to this year's weekly programs. Those which attracted special interest were: "Adventures in Sound," "Sun, Sand, and Transistors," and "Microwave Magic" by Mr. Bamman of Bell Telephone Co.; "Diamonds" by Mrs. Hannaford of De Beers Consolidated Mines; "Meteorology and Oceanography" by Mr. Walter Bohan, Meteorologist; "Chemical Engineering" by Mr. Harry Betzig of DKA Associates; "Dresden Nuclear Power Reactor," Mr. C. M. Clark, Commonwealth Edison Co.; and "Radiology" by Brother L. George, Ph.D., of St. Mary's College.

Student speakers included Roger Stasiak, "Gas Powered Model Planes;" Michael Prokop, "Amateur Rocketry;" James Makert, "Slide Rule;" James Kohnen, "The Moon;" Vic Urban, "Space Vehicles;" Robert Milburn, "Radiation Defense;" Claude Siemien, "Dyes;" and Bruce Sieben, "Digital Computer."

Science films, a power plant tour, Career Conferences, Science Fairs, and programs at the Chicago Academy of Sciences rounded out the year's activities.

## Chorus

The Chorus and Swing Band have climaxed their third year of combined entertainment. Composed of approximately 110 members, ninety-five in the chorus and fourteen in the band, they are led by Brother Louis C. and his assistant Bro. L. Dominic. Having appeared throughout the city singing for various clubs and societies in addition to their semi-annual Christmas and Spring Concerts, they have had a well-rounded schedule of activities.

The Christmas Concert consisted of Christmas carols of many lands sung in their native tongue by the chorus, along with a little cool jazz and swinging dixieland by the band. For the Spring Concert, however, the chorus and band were assisted by the girls of Immaculata High School in presenting their "Musical Americana," a musical tour of the United States.

For both the Christmas and Spring Concerts a third exclusive concert was held for the sisters of the various parochial grammar schools in the vicinity of St. Patrick.

A precedent was set by the music department of St. Patrick when the Spring Concert was recorded and made available on an L. P. record album.

### MATH-SCHOLARSHIP CLUB

This year, under the direction of Brother Regis and Brother Louis, the Math-Scholarship Club was organized for the purpose of providing seniors with information on scholarship opportunities, enabling them to become familiar with various types of scholarship and entrance examinations, and providing them with educational material supplementing the regular curriculum.

This year a special series of discussions on liberal education was held in conjunction with other Christian Brothers high schools in Chicagoland. The seniors pictured above represented St. Patrick in this first INSIGHTS IN EDUCATION program.

Next year both a senior and a junior scholarship club will be organized and will include a discussion on literature and the arts as a supplementary feature.

#### PARTICIPANTS

Left to right (Back Row) R. Ploder, J. Seaman, R. Wietecha, R. Milburn, A. Sikora. (Second Row) A. Flodstrom, R. Klimmer, T. Lesh, J. Merkes. (Third Row) J. Hill, W. Hannon, W. Tresnak, J. Tuccy.

## Coin Club

Numismatics is a hobby which can become very engrossing, and here at school we have a group of boys who have become quite serious about it. Under the direction of Brother Quentin the members of the Club study the ancient coins as well as modern ones. The history of coins has been as interesting in many respects as the history of man. In order to make collections as complete as possible, auctions and trades are often made at the meetings.

# Sheen Club

**OFFICERS and MODERATORS**  
(Standing) Walt Szalajka, Vice-Pres.; Al Sikora, Secretary; Dick Teutsch, Treasurer. (Seated) Ron Wietecha, President; Brother Albert, Senior Moderator; Brother Maurice, Junior Moderator.

The Sheen Club has completed one of its most successful seasons of forensic competition. The members of the club have participated in contests throughout the Chicago area, in Downstate Illinois, in Wisconsin, and have represented Chicago and Saint Patrick's well in National competition in New York and California. Among the more notable firsts are trophies won at the St. Francis, St. Ignatius, and St. Thomas Symposia, the Christian Brothers' Speech Festival, and District Student Congresses and Oratorical Contests.

Selected as the outstanding speaker of the year was senior Ron Wietecha, Sheen Club President, who has contributed much to the organization's success this year and who will represent Saint Patrick in both the National Forensic League Tournament and the National Catholic Forensic League Tournament. He will be accompanied to the latter by Walt Szalajka, the Club's Vice-President, and Tom Davis, the only junior to qualify for national competition.

## Dramatics

1959 has found our department few in numbers; however, the quality of these students has more than adequately compensated for this dearth of numbers. Enthusiasm and drive have been the motivating forces of this group and success has been its reward. Competing in the Chicago Drama Festival last December, where competition is keen, the students fared well and were warmly received by directors as well as the audience for their performance of "The Rising of the Moon." In recognition of an excellent portrayal of a warmhearted Irishman, senior, George Balfre, received a bronze medal. Though this has been the only production this year at St. Patrick, the Department has not been idle. While plans are being made to augment dramatic activity in the forthcoming year, many of the students are participating in various productions put on by girls' high schools, such as "I Remember Mama," "Diary of Anne Frank," and "The King and I."

# Camera Club

Under the guidance and direction of Brother H. Stephen this organization has completed its third year. Boys willing to learn the fundamentals of photography are trained to produce wonderful examples of this hobby. Instructions in the line of light, time, developing and printing give these individuals the basic points in taking good pictures.

## AUDIO-VISUAL CLUB

The Audio-Visual Club has as its purpose "to provide helpful service to the faculty and student body of St. Patrick." Members fulfill this purpose by caring for, setting up and operating the various projectors, phonographs, slide projectors, and recorders in the classrooms where needed. An intensive instruction in the operation and handling of the machines is given to each member. An operator's license is issued upon successful completion of this instruction, which is renewed annually.

## LA CROIX (SCHOOL YEARBOOK)

Each year a relatively small staff compiles the school Yearbook of St. Patrick High School. Working in a very limited amount of space and time the members devote their time in making up a book which is both interesting and enjoyable to all. The work of the staff involves such labors as photography, writing accounts, proof reading and typing. It is the duty of the staff to bring together all points of view and interest from classes and extra-curriculars to individual Seniors, plus points of interest involving social events and climaxed by bits of humor.

#### ASSOCIATION OF LIBRARY SERVICES

The role of the library in the life of the high school student deserves much emphasis. The conviction of its tremendous importance has inspired a goodly number of boys to volunteer their services to help the librarian. This provides them with a valuable opportunity to get acquainted with books and their authors, to acquire experience in public relations through their work with their fellow students and to develop a generous spirit of cooperation.

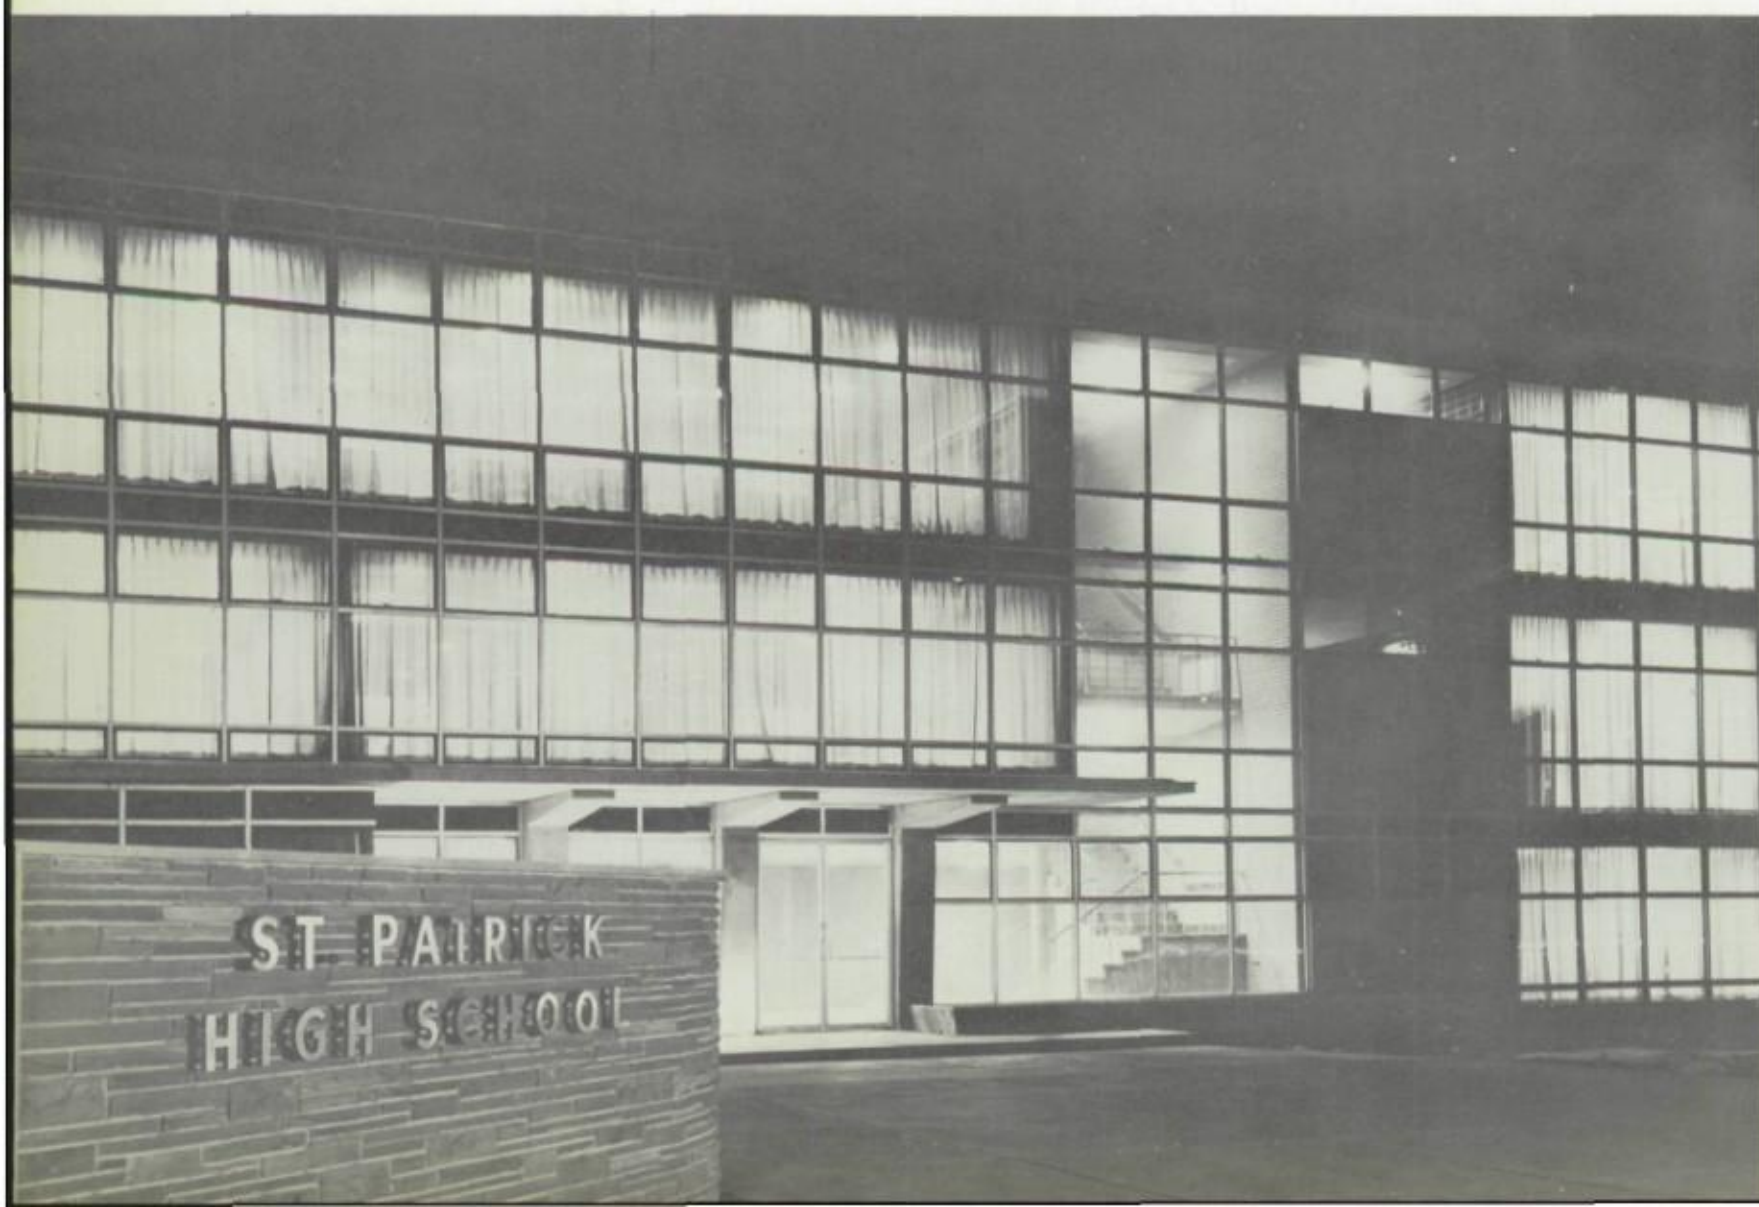

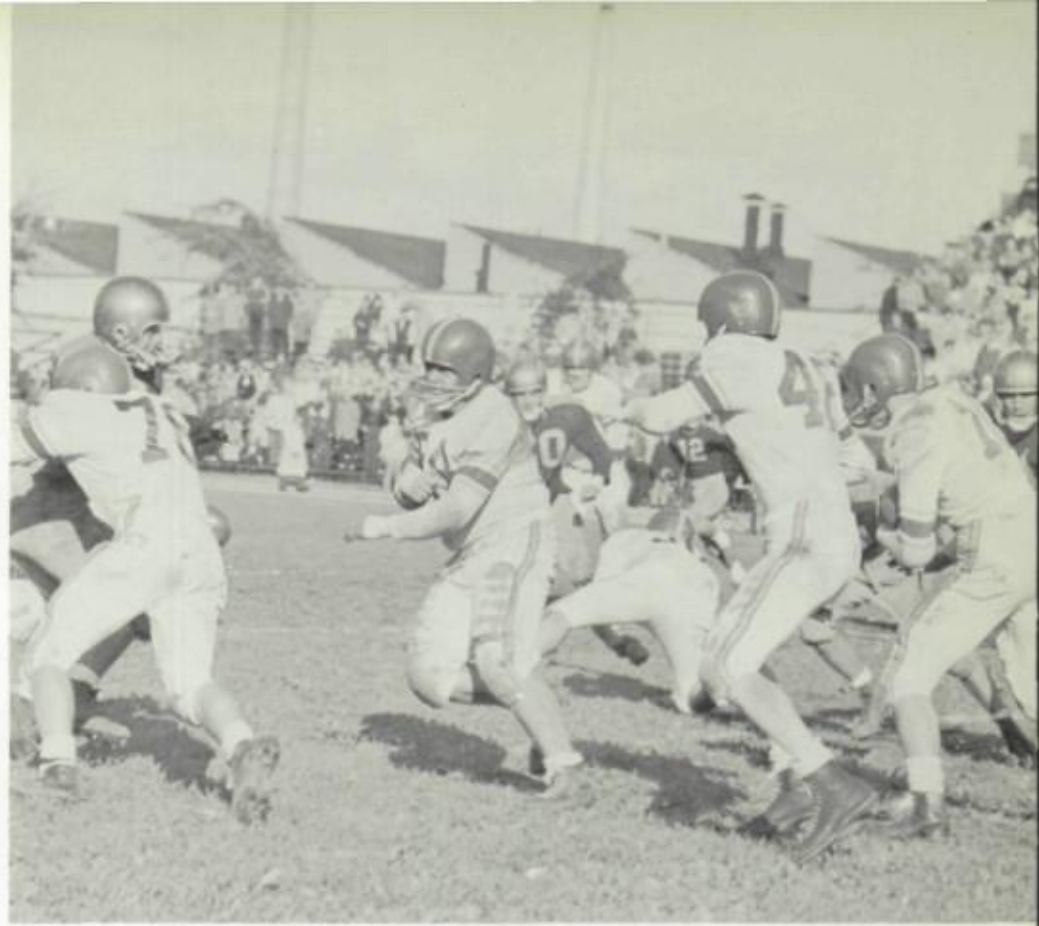

The fact that many of these boys persevere in this type of service for several years demonstrates their appreciation of this opportunity. Thus they are enabled to construct a solid foundation of learning as a firm pad from which to launch themselves into the orbit of a successful career as student, teacher, scientist, pastor, or any one of the multiple choices of vocations adopted by our graduates.

### SUNDAY, SEPT. 6

Tied Brother Rice 6 to 6. St. Patrick scored late in the fourth quarter on a ten yard run by Campbell.

### FRIDAY, SEPT. 11

St. Pat's played their best all around game in losing to highly rated De Paul 6-0. De Paul scored late in the last quarter. Frank Feist played a fine defensive game.

### SUNDAY, SEPT. 27

Lost league opener to St. Philip 28-6. Poor punting and an interception paved the way. Sophomore Carl Clotherty caught a 31 yard pass from Ron Kraft for our only score.

### SUNDAY, OCT. 4

Lost in the mud and rain to league champion Fenwick 38-8. Capt. Dick Budris scored all 8 points. His TD run went for 53 yards and the extra points came on a short pass from Miraglio.

### SUNDAY, OCT. 11

Lost the homecoming game to St. Ignatius 26-12 after leading at the half 6-0. Dick Budris ran wide from inside the 10 yard line to score. St. Ignatius completely outplayed and outthrustled the Shamrocks the second half. St. Pat's second score came on a last quarter 11 yard run by Gerald Kuderna.

### SUNDAY, OCT. 18

A Sophomore studded line-up gave us our first league win against Et. Elizabeth 22-0. First TD came on a pass to Luthringhauser from Ron Kraft good for 34 yards. Tom Loftus, stellar soph fullback, played a fine game and added the second touchdown.

### SUNDAY, OCT. 25

The last game of the season saw the Shamrocks get walloped by St. Mel 36-6. Kraft scored on a short plunge.

### VARSITY STANDOUTS:

Frank Fiest was elected Most Valuable Player on the team, and numerous All-Catholic teams. Capt. Dick Budris received the Sportsmanship award of the team.

### JUNIOR-VARSITY STANDOUTS:

# Heavyweights

The Heavyweights compiled a magnificent record and brought St. Patrick its first sectional championship in a major sport. Their 26-4 record indicates the abundance of talent and skill possessed by this year's team.

Outstanding shooting by Dennis Kozlowski and Ed Cagney along with the rugged rebounding of Frank Feist, Mike Mulcahy, and Dennis Rudnick made the Shamrocks almost unbeatable. The team was ranked fourth in the city and seventh in the Chicago area.

Highlight of the season was the team's four victories over arch-rival Fenwick.

Numerous honors were bestowed on our players. Dennis Kozlowski repeated as an All-Catholic selection and was picked on the All-State team. Dennis Rudnick was numbered among the Catholic League All Stars while Ed Cagney was an All-Section choice.

Team awards went to D. Kozlowski for "most valuable player," and to F. Feist for "sportsmanship."

# Lightweights

The Lights plainly demonstrated what hard work and desire can do for a team. After a rather dismal practice season the Lights won their first three League games. Two heartbreaking losses were suffered when the small men dropped games to St. Mel and St. Elizabeth in the final second of play.

Not giving up the Lights bounced back with victories over Fenwick, St. Ignatius, and St. Mel in the second round of play and tied for second place in the section. The season ended with a loss to St. Mel in the opening game of the play-offs. Our congratulations to a team that went all out every second of every game.

Team awards went to M. Condon for "most valuable player," and to T. Doerr for "sportsmanship."

## Senior Swimming Team

This year the swimming team, under the capable direction of Brother J. Stephan, rose to new heights. They won the first place trophy in the Senior Division from the St. Philip Invitational Swimming Meet for the first time in the history of the school. Despite the lack of facilities and practices the team did very well, winning six meets in the senior division and four in the junior section. Next year we believe that we will have one of the strongest senior teams ever assembled since this present team will lose only three of its members. With the nucleus of the junior team added to the present senior team the tankmen should have a winning team.

## Junior Team

Left to right (Back Row) D. Johnson, J. Farr, H. Schneider, J. McCarthy, R. DeVlieger, D. Barzano, H. Lengvenis. (Middle Row) J. Scholl, L. Blecka, R. Weirich, R. Reter, M. McEnroe, J. Hendricks, R. Mayworm. (Front Row) M. Nelson, J. Rutz, J. Case (Capt.), G. Bez, P. Hooper, H. Hoversen.

## Track Team

The senior track boasts many fine athletes in this field. With the members of last year's Junior Championship team now running in the senior division, the outlook for the squad looks bright. They possess some of the best hurdlers in the city and are considered strong in other fields. Constant training under the supervision of Brother John Daniel has produced a fine squad of avid runners.

The Junior team has a great deal of talent amongst its many hard workers. Under its moderator, Brother H. Gerald, the team hopes to produce another championship squad.

# Senior Prom

Months of preparation and saving came to a gay climax on April 29, 1960, at the Tam O'Shanter Country Club. It was on this evening that the long awaited Senior Prom became a wonderful reality. All you needed was one look at the happy expressions to tell that everyone was really having the time of his life.

The haunting music of Johnny Gilbert and George Fanelli, along with the glamorous setting of the Tam's ballrooms, combined to set the mood and make the whole night truly an "Enchanted Evening."

After leaving the Tam, the couples stopped off for a late snack and perhaps a few more dances. Then the whole glorious evening faded into memory; a memory that will be cherished forever both by the seniors and their dates.

# The Mothers' Club

The St. Patrick High School Mothers' Club is composed of the mothers of present and former students of St. Patrick and other ladies interested in the spiritual and temporal welfare of St. Patrick students. Over one-third of the students' mothers are active members.

This year the programs at the regular monthly meetings of the club have emphasized a better understanding of the work of the school and of education in general. The October meeting featured a discussion on "The Role of the Home in Education," led by Brother Julius Edgar, FSC, dean of studies at St. Mary's College. In January, Brother Luke Maurelius, Chairman of the English Department at Christian Brothers' College in Memphis, spoke on "The Importance of English to the High School Student." At the February meeting, members of our own faculty gave a symposium on "The Educational Values of Extra-Curricular Activities." The educational phase of this year's programs was completed at the April meeting when the music and forensics departments demonstrated some of their work.

Several activities of a fund raising or social nature were also carried on by the club. Among these were the Fashion and Talent Show, St. Mary's College Concert Chorus, two bakes sales, the Christmas party, a demonstration called Creative Cookery, and the Senior Father-Son Communion Breakfast.

In addition to their regular scheduled activities, the members of the Mothers' Club assisted several activities during the year by serving refreshments and doing similar behind-the-scenes services. The officers, members of the Board, chairmen of activities and their committees, and all the members of the Club are to be highly commended for the generosity they have shown in supporting the school and its many extra-curricular organizations.

# Homecoming Festivities

The purpose of the Homecoming is to enliven the spirit of the student body and to afford the alumni an opportunity to meet and share memories of past glory. A car parade, headed by the Queen of the festivities, Joyce Chromicz, and her court, makes its way to the stadium where a celebration is held at half-time. Win or lose, a homecoming is something never to be forgotten. This year in the football game against St. Ignatius the team lost.

The day was climaxed by a Dance held at the school gym. A crew of seniors under the industrious labors of Brother Leander spent time in putting up the decorations suitable for the entertainment. Music was supplied by the Tony Marterie band.
